Our Fresh New Look

Aannnd here comes another issue of Vivarious. Hope everyone enjoyed the joyous celebration of Malaysia day where we had plenty of public holidays back to back. Also, if you have noticed, we have decided to change this issue of Vivarious slightly. Can you spot the changes which has happened?

As Christmas is creeping up along the corner as we are fast approaching towards the end of the year, in this edition of Vivarious, we have compiled a list of places you can go to enjoy a Christmas getaway with the cool weather (least not freezing cold) which is always associated to Christmas, albeit it not snowing like always shown on the movies, TVs or news within Malaysia. We also have some ideas of Christmas gifts which would make an interesting gift during this upcoming joyous occasion. It will be sure to put a smile on the receiver's face and heart.

As we come to the end of 2018, look forward to new brands landing in Kuching at Vivacity Megamall. It will be their first long stretch across the South China Sea as well as across the globe. Besides, we will also be celebrating our 3rd Anniversary this 12.12.2018! Don't forget to join our anniversary reward giveaway held until this 11 December.

That's a wrap from me. Enjoy this new look and feel of Vivarious Magazine. On behalf of the Management and myself. I would like to wish all our readers, Merry Christmas and a Happy New Year.
